

School Uniform

Foulds School has a formal uniform which all children are required to wear. This uniform helps the children to take pride in their appearance and their school. Over the years changes have been made to ensure that children are comfortable and not restricted when they work.

Every item of uniform must be labelled with your child's name – we have found that 'Sharpie' pens write on pretty much anything and last through several washes. Uniform can be branded or unbranded- there is no expectation for children to wear uniform with the school emblem on.
